Excisions: Excisions Recommended And Made

Reasons for excisions:

Three excisions are required to the publication. One excision is required to remove a sequence where a man restrains the heads of two women and penetrates their mouths in a manner that causes obvious discomfort. Two excisions are required to remove the ejaculation sequence from this scene where the women are presented solely as servile sexual objects that demean themselves for the viewer. This material is highly degrading, dehumanising and demeaning to the women participants and by extension women in general, and is presented in a manner that intensifies the effect.
